Ethnohistory

The Journal of the American Society for Ethnohistory

Neil L. Whitehead, editor

Ethnohistory has established a strong reputation for its studies of the history of native peoples in the Americas and, in recent years, has expanded its focus to cultures and societies throughout the world. The journal emphasizes the joint use of documentary materials and ethnographic or archaeological data, as well as the combination of historical and anthropological approaches, in the study of social and cultural processes and history.

Custom-Tailored Protection from AAA: for What Keeps YOU Up at Night

You're an individual, with your own hopes, dreams ... and worries: What happens if you become disabled and can't work for a year? Would your spouse be able to afford your family's current lifestyle if something happened to you? Will you be around to put your kids through college? If not, what then?

Unfortunately, it's not always possible to—like Thomas Edison—invent your own instant solutions to what keeps you up at night.

AAA can help. As an AAA member, you can choose from eight quality

AAA-sponsored insurance plans to help safeguard you and your family.

Whether it's solid Term Life protection for you, Disability Income Insurance for you and your spouse, or Comprehensive HealthCare coverage for your whole family, the AAA-sponsored Program is your one-stop source for custom-tailored protection for what matters most in **your life**. And each plan is available to members like you at **AAA group-negotiated rates** that fit your budget.

Rest easy.... The AAA-sponsored Insurance Program looks out for you.
